

PRODUCT SHEET

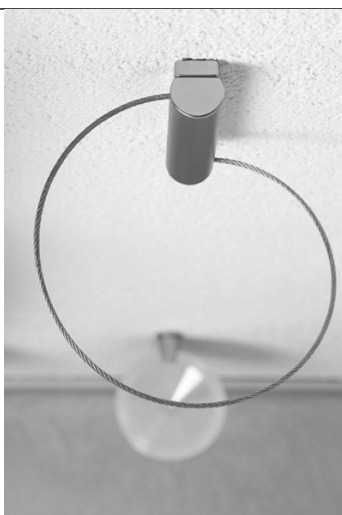

Umbrella stand to be mounted on a wall composed of a Ø90 mm aluminium water collection dish and mounted on the wall with a Ø2.5 mm steel cable which wraps around and supports the umbrella. May hold several umbrellas and a number of these umbrella stands may be arranged in a composition for a theatrical effect. Even when empty, it is a decorative element thanks to the particular design and the gentle curve of the cable. The stand is available in two finishes, satin nickel brass and polished chrome
