

PRODUCT SHEET

Wall-mounted soap holder composed of four Ø4 mm satin stainless steel bars and cylindrical side brackets just 91 mm deep and 156 mm wide make it suitable for tight spaces. Easy to assemble, comes with two side brackets with washer to fix to the wall after inserting the four steel bars. Kit includes handy template for drilling holes and mounting as well as fixing elements to replace washer for an even more minimalist design, two plastic plugs and the hex key to tighten the screws.
