

PRODUCT SHEET

Wall-mounted roll holder composed of a fixed Ø4mm satin stainless steel bar and another hinged one and cylindrical side brackets. What is special about this holder is the front bar hinged to the brackets which makes it easy to insert the roll without any risk of losing it. Only 91 cm deep and 156 mm wide making it suited to tight spaces. Easy to fit, comes with two side brackets with washer to fit to the wall after inserting the steel bar. The total width of the article is 156 mm. Package includes a handy template for drilling holes and mounting and there are also fixings to replace the washers for an even more minimalist design, 2 plastic plugs and the hex key for tightening the screws.
