

PRODUCT SHEET

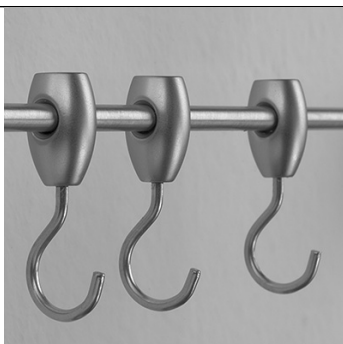

Wall-mounted towel rail composed of two Ø4mm satin stainless steel bars and cylindrical side brackets. The depth of just 91 mm and width of 516 mm make it suited to the tightest of spaces while still leaving space to hang two towels. Easy to mount, it comes with two side brackets with a washer to be fixed to the wall after inserting the two steel bars. Package includes handy template for drilling holes and mounting rail as well as fixings to replace the washer for an even more minimalist design, 2 plastic plugs and the hex key for tightening the screws. POSSIBLE TO MAKE CUSTOMISED SOLUTIONS IN THE LENGTHS REQUIRED
